Easter Worship and Springtime Parish Activities Changed by Coronavirus

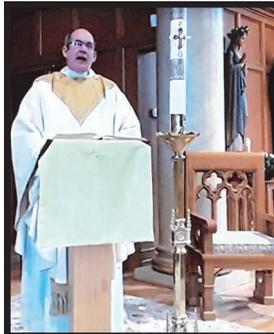

While our Lenten season began this year with our Mother Teresa's Haven service project and Fr. Kurovsky's lecture series on faith, hope and love, the start of the COVID-19 health crisis in March changed parish life in ways none of us could have imagined. However, thanks to the leadership, support, and dedication of Msgr. Tressler, Fr. Mosley and our parish staff, we have been able to keep alive our Catholic faith within the local community. Their willingness to provide opportunities for parish worship through social media and to keep in touch by phone and email to serve our needs is greatly appreciated. Although the foreseeable future is uncertain, hopefully we can all work together to ensure our parish life continues to thrive in a safe environment as together we pray, study and serve those in need.
